

# Correlations for variables 1 and 2

Pearson's r

Spearman's rho

Normalised density

Standard estimate  
Posterior Mean

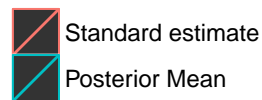

# Correlations for variables 1 and 3

Pearson's r

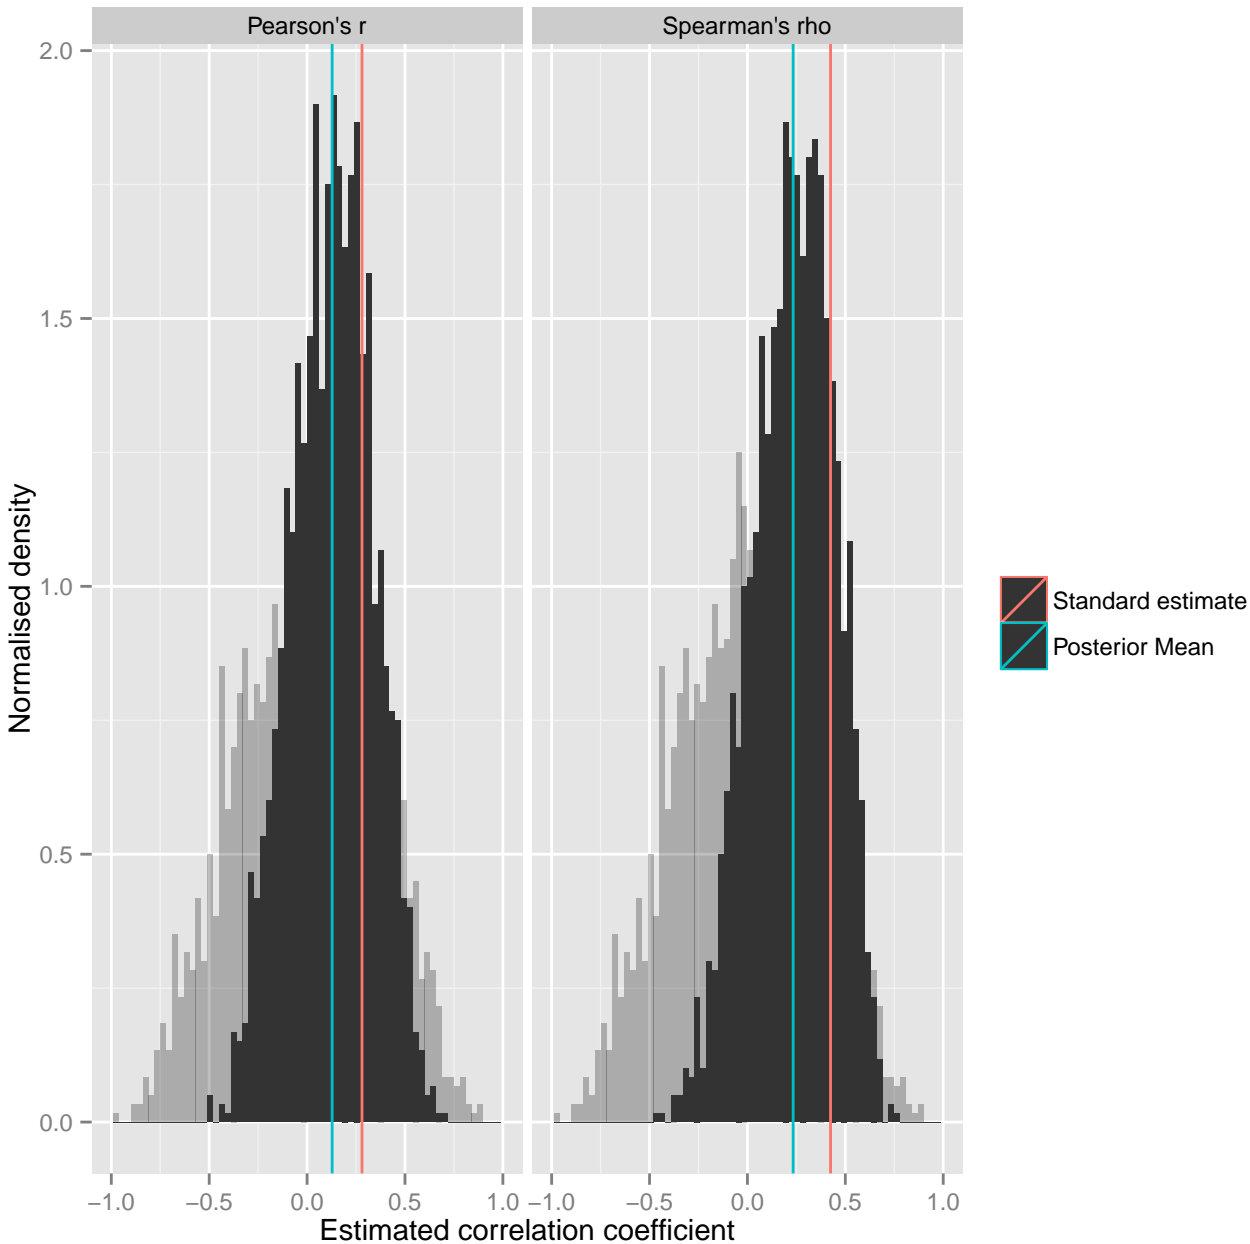

Spearman's rho

Normalised density

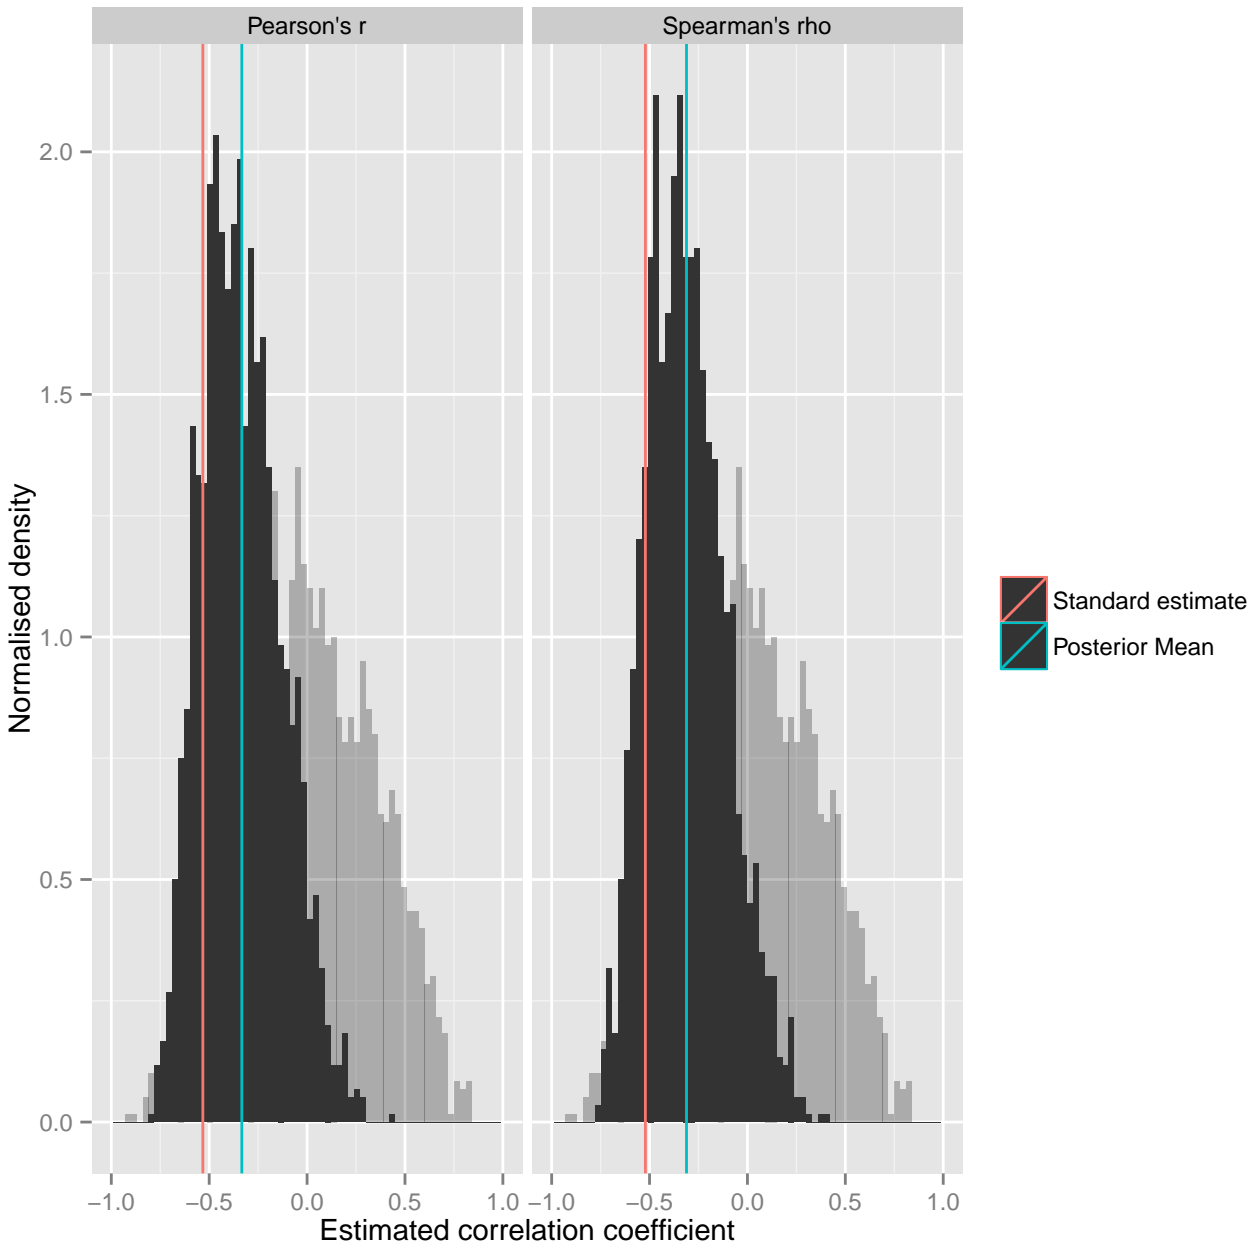

Estimated correlation coefficient

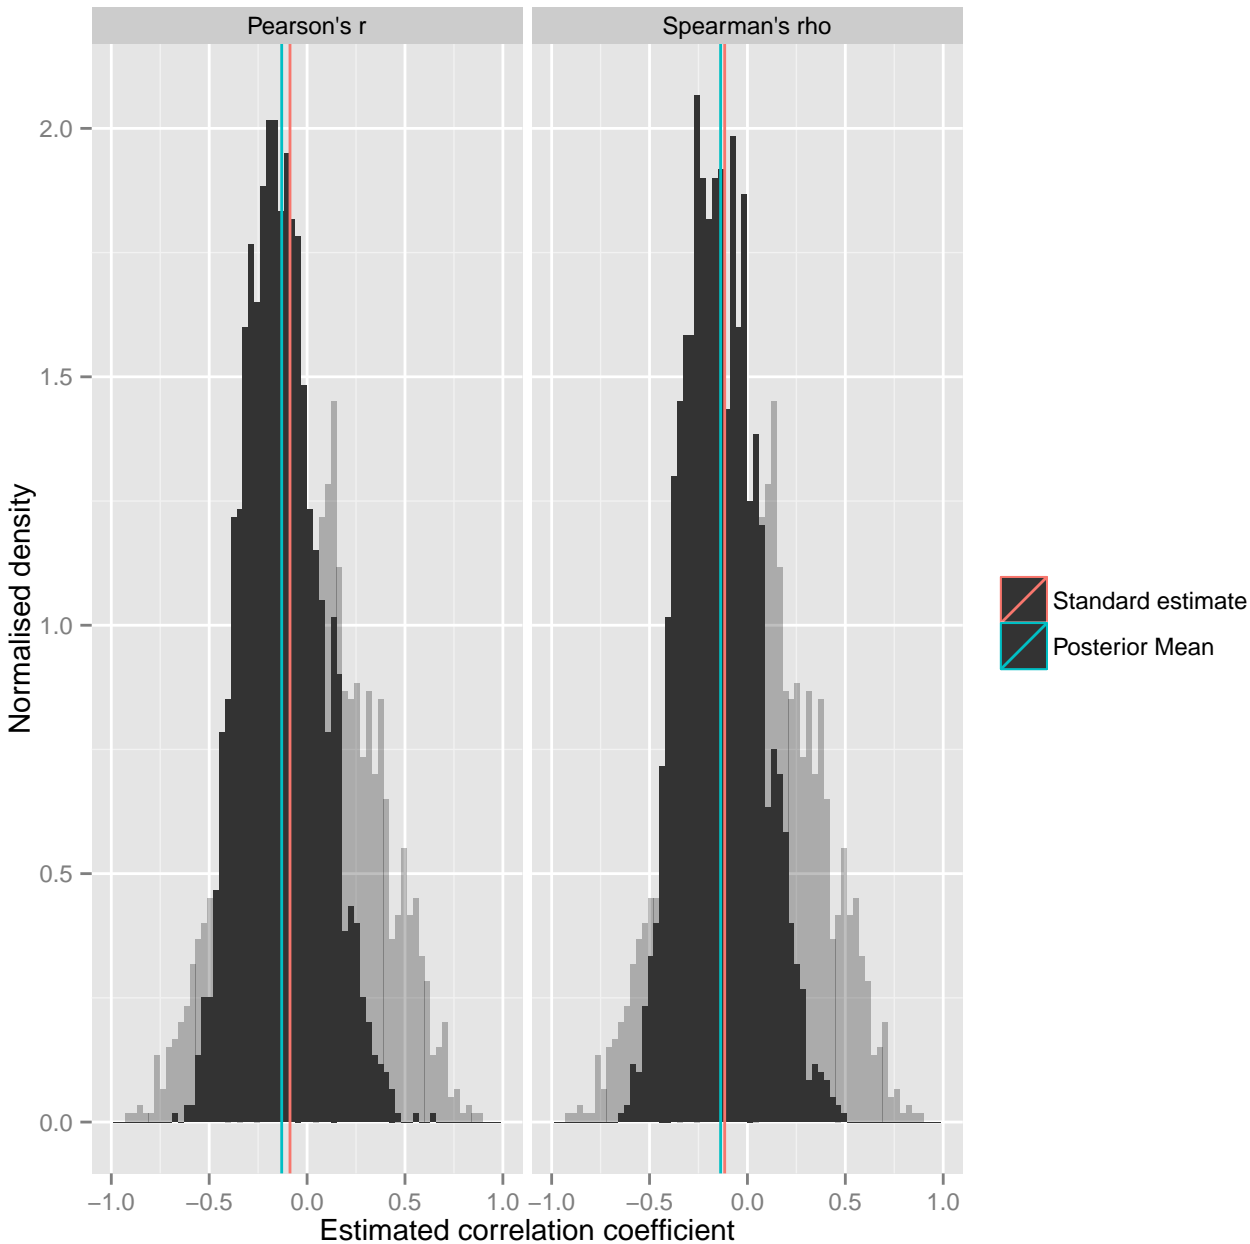

# Correlations for variables 1 and 4

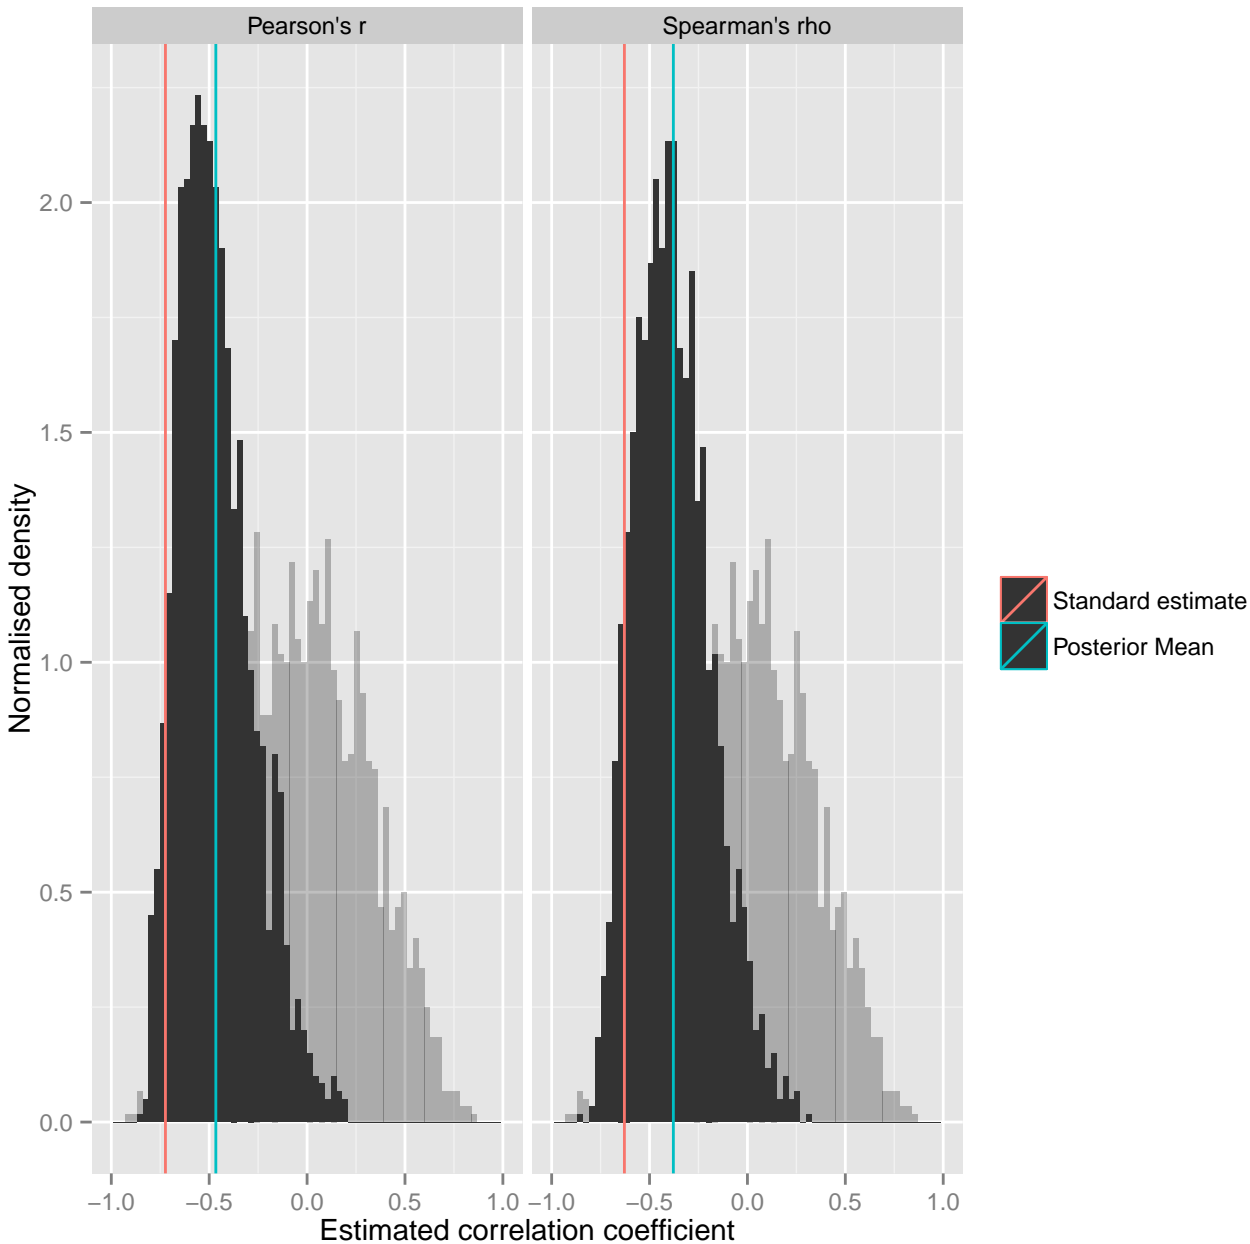

# Correlations for variables 1 and 5

# Correlations for variables 2 and 3

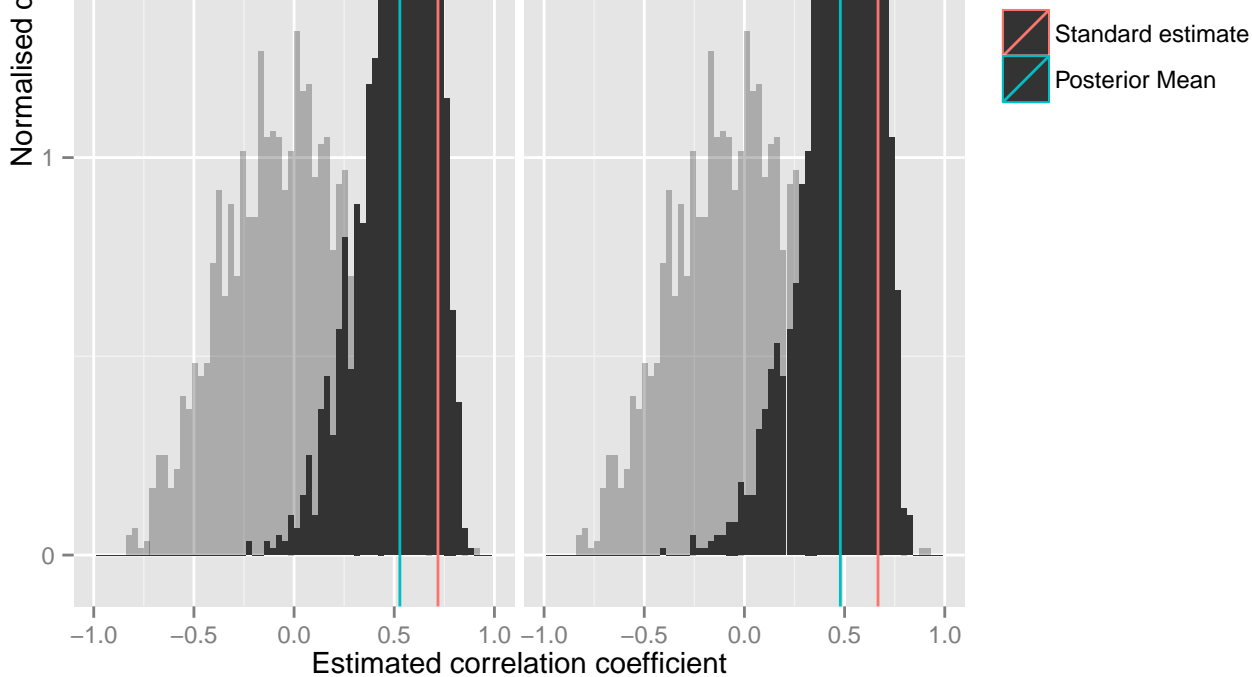

# Correlations for variables 2 and 4

# Correlations for variables 2 and 5

Pearson's r

Spearman's rho

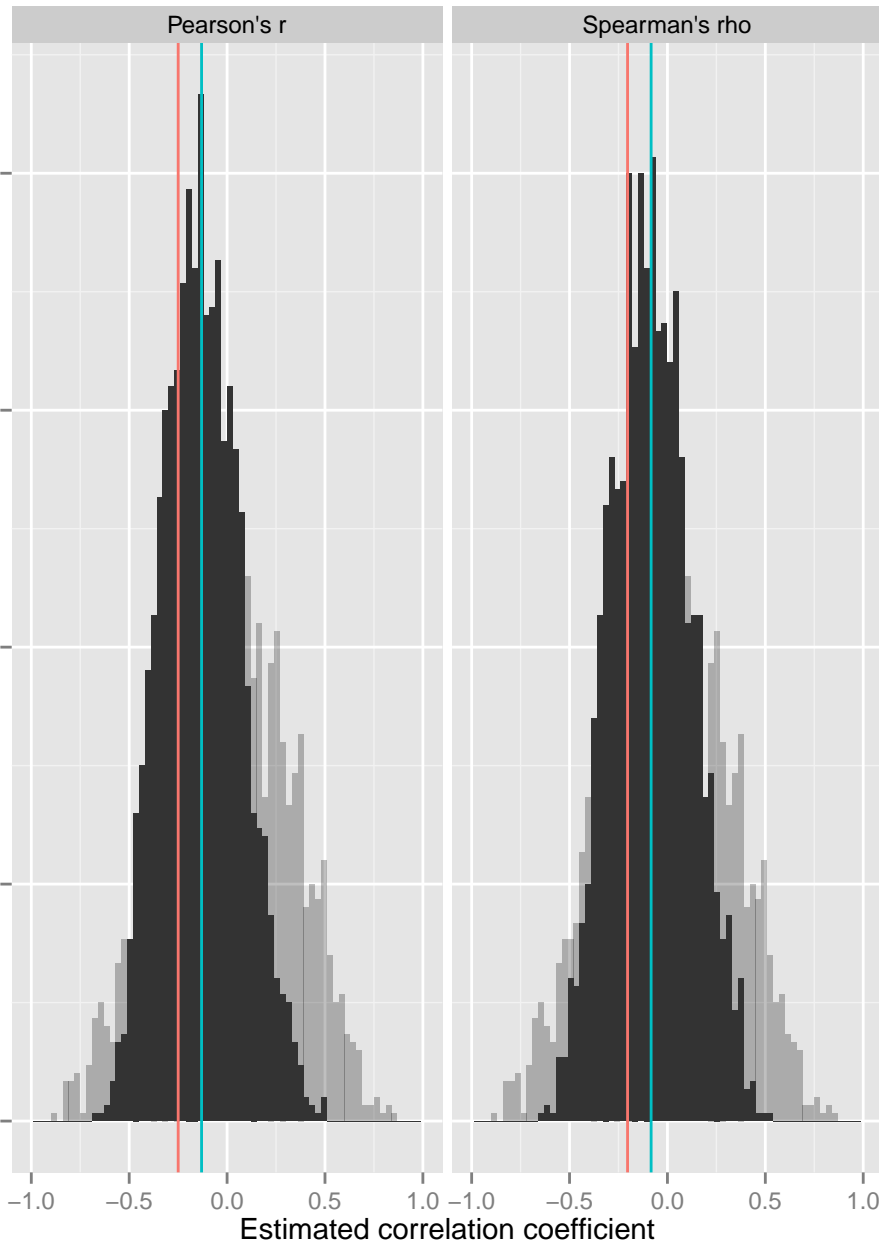

# Correlations for variables 3 and 4

Pearson's r

Spearman's rho

Normalised density

Standard estimate  
Posterior Mean

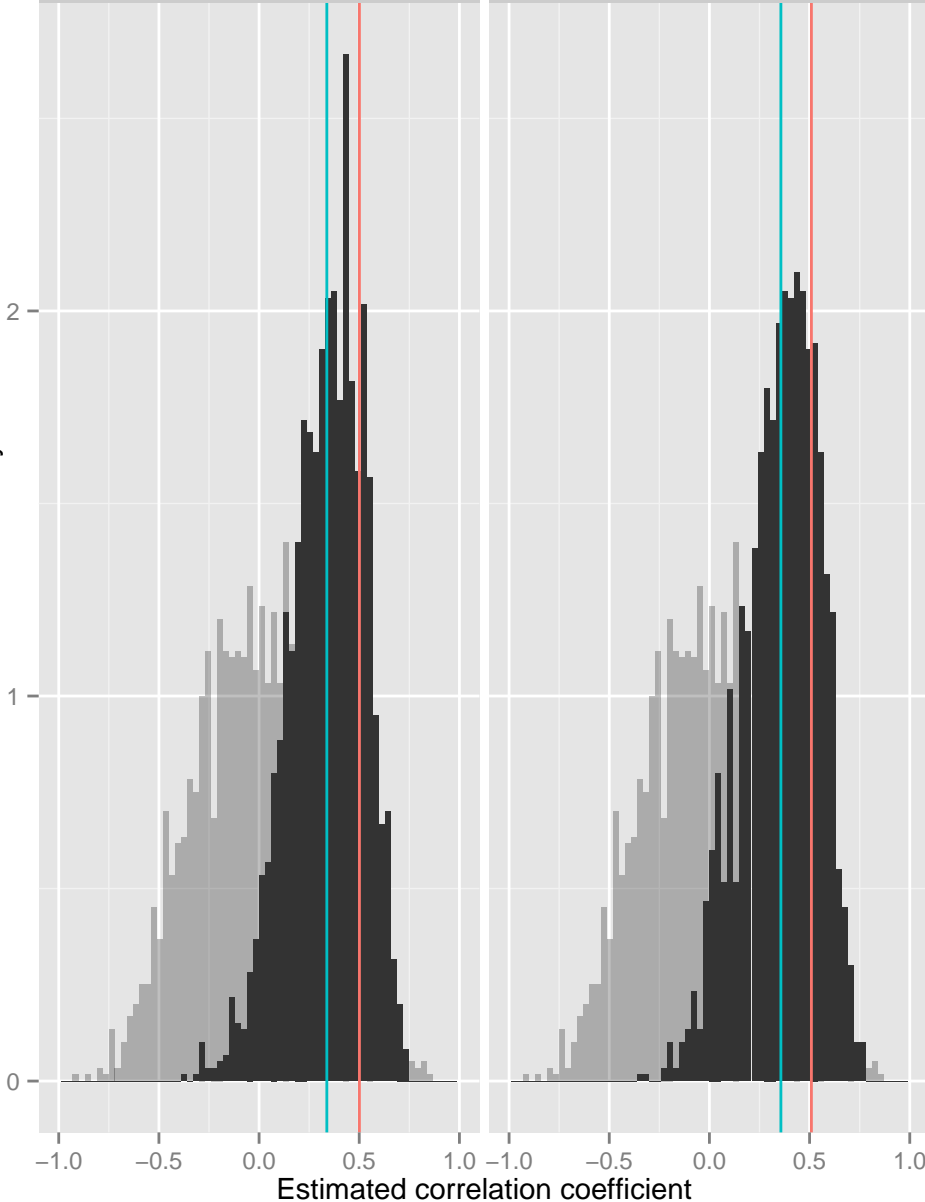

# Correlations for variables 3 and 5

Pearson's r

Spearman's rho

Normalised density

Standard estimate  
Posterior Mean

# Correlations for variables 4 and 5

Pearson's r

Spearman's rho

Normalised density

Standard estimate  
Posterior Mean
